*Projections are based on the 2024-25 State Budget and are not directly comparable to subsequent Budget Update forecasts for aggregate employment growth. As these projections are high level, indicative and subject to change, it is recommended that the focus be on employment trends rather than the numbers in isolation.

By 2027-28, employment in other services is projected to have the sixteenth-fastest growth of all industries in Queensland.

Besides the Mackay - Isaac - Whitsunday region, the proportion of workers in this industry is relatively uniform across Queensland regions.
